SkillsUSA Meeting

August 6, 200_

The SkillsUSA meeting was called to order at 8:10 am by Mr. Bennett for the purpose of electing officers. Thirty students were present indicating an interest in joining the club. The due date for dues is September 30 and dues remain at \$12. We accept cash, money orders and checks. Money orders and checks should be made payable to SkillsUSA, CATC.

Mr. Bennett discussed the need to nominate officers for this school year. At the last meeting Mr. Bennett indicated that he would be taking the nominations and has received two. Mr. Bennett will give all of the teachers at the Technology Center nomination forms to distribute to students. He reminded the students to only nominate people that they feel could represent the Club in a positive way. At the next meeting nominations will be presented and officers elected.

Mr. Bennett briefly shared information about leadership development and competitions. This will be discussed more thoroughly at the next meeting.

Mr. Bennett also discussed the need for fundraising this year. Since SkillsUSA members plan to attend several field trips, funding will be required to pay for the bus, driver, substitute teacher and any admission fees. The Club will be receiving some money from the Coke sales in the afternoon; however, this will not be adequate. At the next meeting we will be discussing possible fund raising activities.

The meeting was adjourned at 8:20 am.

Corey Leonard
